Excerpt from the Tribunals Guidance

The Following rules are designed to minimise the impact that emails can have on the efficient running of the Tribunal office. If you wish to use emails please:

- Prepare a letter/application/documents for the Tribunal in Word or PDF format and attach it to the email;
- As case officers are sometimes absent, **always send the email to the generic office address: london.rap@justice.gov.uk;**
- Always copy any email to the other parties, either by email or post and confirm in your email or letter you have done so;
- Always quote the Tribunals full reference number, address and case officer details in your email;
- Email chains, email 'conversations' about a case will not be accepted.
