

# Dear Residents,

## Meet your Building Safety Manager

**CLARION**  
HOUSING

Alozie Ohuonu

Hi, I'm Alozie, your Building Safety Manager. My main focuses are to keep you safe and informed about your building. I will be completing regular site visits to identify and manage any building safety issues. When I'm on site I'll be reviewing fire doors, ensuring communal areas are kept clear and monitor the general safety of your building. I will also respond to any questions or safety concerns you may have.

### Future inspections

I am usually in your block monthly. If you do see me in your building, please feel free to talk to me. You can join me on my inspections, and a representative from your local Neighbourhood Team can be there too as part of their estate inspection.
