Please return the postcard to the Freepost address printed on the envelope provided (no stamp required) by Friday 16 January and we will let you know shortly after that date which meeting time we have reserved for you. You can also sign up by phone or email, using the contact details provided, or by visiting Alecia in J&K or Natalie at the Estate office.

If you are unable to attend the event, materials from the consultation will be available on our website – www.suttonestatechelsea.com – alongside an opportunity to comment online. Alternatively, we will be holding two further events for the public (see details below), which tenants are of course welcome to attend. As with the events in June the information shown at these two events will be the same as the tenants only session. These events are drop in though so no need to register for a particular slot.

We look forward to seeing you.
